Dear Hiring Manager

I am writing in response to your offer for students currently searching for placement at TUS Midlands, which was presented to us by our placement Co-ordinator.

I am currently a third-year student at TUS where I have been studying for a Bachelor of Science (Honours) in Software Design with Mobile Apps and Connected Devices. As you can see from my CV, I can offer a considerable amount of relevant experience, including A degree which has included: Communication for Engineering, Software Development, Mobile Application Development, and agile methodologies. In addition, to my technical experience I have excellent interpersonal and communication skills having given multiple presentations at university throughout my three years.

I am very keen to apply my skills and experience in the I.T. Industry and I have heard that your firm would be of particular interest to me because I really enjoy challenges and have always found problem solving very satisfying. I am keen to progress rapidly towards a professional qualification and I am aware that you place great emphasis on training. I look forward to hearing from you and would welcome the opportunity to discuss my application in greater detail.

Yours sincerely,

DAVID BOLGER
